

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. I strongly believe that the FCC should retain all of the current media ownership rules now in question.

I will spare you any additional commentary because I share the position of many who oppose any changes that will result in more deregulation and greater consolidation by the media giants. May your priority be greater diversity and greater democracy through media that is accountable to the people who are on the airways!

Thank you,
